2021 BICYCLE RACK DEMO PROGRAM

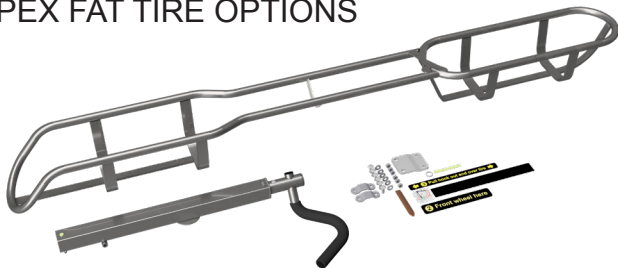

APEX 2

APEX 3

APEX FAT TIRE OPTIONS

DEMONSTRATION STAND

Our Apex family of bicycle racks sets the highest standard for safety, durability, and performance in 2 and 3 position bicycle transit racks.

We want you to experience the benefits of the Apex Family.

2021 Demo Program Details:

Includes:

- » 1 Bicycle Rack
- » 1 Pivot Plate
- » Mounting Brackets

Optional:

- » Various Fat Tire configurations
- » Demonstration Stand

If you would like to request more than one demo rack or demonstration stand please contact a Sportworks or TransMark sales representative.

How to Order:

Contact Sportworks or your TransMark sales representative with the following information:

- | | |
|--|--------------------------------------|
| <input type="checkbox"/> Desired rack model | <input type="checkbox"/> Model |
| <input type="checkbox"/> Need a demonstration stand? | <input type="checkbox"/> Year |
| <input type="checkbox"/> Vehicle Make | <input type="checkbox"/> Bumper Type |

The Fine Print:

- » The shipping costs and product demo are free for 3 months after the shipment leaves Sportworks' warehouse.
- » If you decide to keep the demo product after the 3-month period, you will be billed for 50% of the list price for the rack and components.
- » Please coordinate demo program logistics with your Sportworks or TransMark Sales Representative.
